Important Annual Notices

Attendance Policy and Code of Conduct: These policies may be reviewed on the District's website or may be obtained at the District's Administration Center.

School Records: Students 18 or older and parents of students under 18 have a right to inspect and review any and all official records, files, and data directly related to their children or themselves.

The parent should request access to school records in writing from the principal, guidance counselor, or Superintendent of Schools. Upon receipt of the request, arrangements will be made to provide access to the requested records within a reasonable period of time, not more than 45 days after the request has been received. Parents and students are also entitled to a hearing to challenge the content of such records. Any questions concerning the procedure to be followed in requesting such a hearing should be directed to the Superintendent.

Student records are confidential and may not be released or made available to persons other than parents or students without written consent. There are a number of exceptions to this rule, such as school employees and officials, as well as certain state and federal officials, who have a legitimate educational need for access to such records in the course of their employment.

Students with disabilities have the option of deciding whether to disclose the existence of their disability on their high school transcripts.

Student Directory Information: Parents and or students who do not wish directory information (name, age, address, and home telephone number) to be disclosed should notify, in writing, the Public Records Access Officer or the Superintendent of Schools at: EGCS Administration Center, East Greenbush, New York 12061.

Textbook Return (Parochial And Out-Of-District): Students residing within the East Greenbush Central School District attending parochial, private, or out-of-district schools are reminded that all textbooks must be returned at the end of the school year to the QUESTAR III office located at 1070 Route 9 (Rear Entrance), in Castleton. Textbooks may be returned, Monday through Friday, from 8:00 am to 4:00 pm. For directions call 479-6984.

Working Papers: Students between the ages of 12 and 17, who plan to work, must have working papers. Application forms are available at Columbia High School during regular school hours. For additional information you may call 207-2000.

Health Information:

Emergency Verification Sheets: Emergency Verification Sheets are needed for each child in school. They list parents' home and work telephone numbers, doctors' names and telephone numbers, and persons to be contacted in emergencies if parents cannot be reached. In medical emergencies, schools may only give first aid and must be able to contact someone who can make vital decisions about medical care. Even sending a child to the hospital requires parental consent.

Health Exams: Health Exams, in accordance with New York State Law, must be furnished for new entrants and at the start of the school year for grades Kindergarten, 2, 4, 7, and 10. Dental examinations are also requested at these grade levels. Your child's health concerns will be shared with pertinent school staff only on a need to know basis.

Immunization Requirements:

- ⇒ Children must be immunized against the following: DPT, Polio, Measles, Mumps, Rubella, Varicella, and Hepatitis B.
- ⇒ Students who are entering sixth grade, or a comparable age-level special education school or program, and who are 11 years of age or older must receive immunization containing Tetanus Toxoids, Diphtheria, and Acellular Pertussis (Tdap).

Internal Medication: According to New York State Law, in order to administer medication, or for a student to self-carry/self-administer medication, school nurses must have a written request from a doctor giving the frequency and dosage of medications, the condition for which it is prescribed, and an additional note from a parent/guardian asking that the medicine be administered as specified by the doctor. Medication must be given directly to the school nurse by a parent. Students may not carry medicine (including aspirin or other over-the-counter drugs) in school at any time.

Smoking: The Board of Education has declared the East Greenbush Central School District to be a "Drug Free" environment. Therefore, there is no smoking permitted, at any time, within the school buildings or on school property.

NYS School District Code #158
Please visit: www.egcsd.org

Bus Routes: The District's Bus Routes will be posted on our website on or before August 15, 2011. Copies of the routes may also be picked up at your child's school after August 15th.

TITLE IX: The Board of Education is committed to providing an educational and working environment that promotes respect, dignity, and equality and that is free from all forms of harassment and hazing. The District will promptly investigate all complaints of hazing and/or harassment, either formal or informal, verbal or written. Complaints should be filed with the principal or Title IX Officer, 29 Englewood Avenue, East Greenbush, New York 12061. Or you may call: 207-2526.

VISITORS: To ensure the safety of our students, it is the policy of the District's Board of Education that all building visitors must report to the main office of the school they are visiting. The Board defines a visitor as a person not employed by the school district or not enrolled in the school in which he or she is visiting.
