

Dear Parents,

My name is Amy MacHaffie and I am delighted to be your child's kindergarten teacher! Kindergarten is a time of new beginnings, and amazing growth. Our days and weeks will be filled with many wonderful experiences and learning opportunities. I am looking forward in sharing your child's educational experiences and creating a partnership in educating your child.

I hope you will find the following information helpful and answer some questions you may have. Attached you will find a list of supplies for the school year. All supplies may be brought in the first day.

I am asking that each family take a few minutes and write a letter to me about your child. What are your child's interests? Things that I should know about your child, what do they enjoy reading/learning about? This will help me to get to know your child as a learner and who they are. Please bring these letters to school within the first week.

I look forward to meeting you all and working with you and your child! Have a wonderful summer!

Sincerely,
Amy MacHaffie
