**Dear Students, Parents and Teachers:**

**We are very excited to announce one last opportunity that the children in our program will have to perform in public.**

**This demo will be at OUR major fundraiser where we raise the money used to support this program. The fundraiser is Dancing With the Albany Stars, where there will be six local stars competing in ballroom dancing.**

**The daytime portion of the event is from 1-4pm, and the children that participate will perform their demo during the intermission which will happen around 1:45-2pm.**

**Admission is of course free for the children in our program that come to perform, as well as one parent.**

**\*\* Every child that participates in this demo will have their name put into a drawing for a BRAND NEW TEAL BLUE IPOD SHUFFLE inscribed with "I danced like CRAZY with Dance Crazy!"\*\***

**The winner of the IPOD will be announced immediately after the demo.**
