The children in the ten schools in the Dance Crazy program have been invited to perform at the award ceremony for the Sandra G. Morley Leadership Award sponsored by the NY State Alliance for Health, Physical Education, Recreation and Dance.

Attendees of this event will include students, staff and family members from multiple school districts in this area.

This invitation is indeed quite an honor for us, as we are being recognized as a program that helps develop all of the characteristics that this award is honoring (see below).**

Performing here provides our young dancers with a very unique opportunity to show other school districts something that is very rare to see, especially in our areaballroom dancing children!

The organizers of this event are hopeful that students from all of our ten schools will participate.

If an overwhelmingly large number of our students RSVP with interest in attending, we may have to pick names out of a hat to figure out who will go since the performance area is only so large.

If your child will be able to attend, please RSVP to the phone number or email address above by no later than April 28th.

Here is some additional information about the event:

*****The award will be given to 6 students from the top grade at each Elementary School, as well as 6 students from Middle Schools around the Capital Region for demonstration of leadership, sportsmanship, and appreciation for a healthy lifestyle. Last year 675 students from 37 local school districts were honored.***
