June 2009

Dear Parents, Students and Community Members,

I would like to thank the entire school community for a successful school budget vote. With the support of the community, the District will have the resources to continue our diverse program offerings and levels of staffing that contribute to our students' successes. Your commitment to education and the East Greenbush Central School District is greatly appreciated.

The 2008-2009 school year is quickly coming to a close. We have been extremely proud of the activities and events that have taken place during the last several months and show our tremendous student accomplishments. The District Art and Music Festival on May 14<sup>th</sup> raised \$954 for the Make-A-Wish Foundation. I would like to thank the students, staff, and volunteers that worked numerous hours to make this event a huge success. It is a source of great pride for the community to have the opportunity to review the diverse talents of our students.

Renovations have begun at the Citizen Genet Elementary School and will shortly begin on the six other schools, the Transportation Center and grounds shop. The renovations and repairs were approved as part of a bond referendum passed by District residents in 2007.

The month of June is a time of intensive academic review for our students. The New York State Regents examinations are being given from June 16<sup>th</sup> to June 25<sup>th</sup>. The Columbia High School graduation ceremony will be held on Saturday, June 27<sup>th</sup> at 3 p.m. at the Albany Convention Center. The District has numerous awards and moving-up ceremonies scheduled during the month of June. We welcome the entire school community to attend these events and celebrate the success of our students. Please feel free to visit the schools' websites or call the school directly for more information on upcoming school events.

The 2008-2009 school year was a memorable and successful year for our students. We look forward to the 2009-2010 school year with great enthusiasm.

Working Together,

Angela M. Guptill, Ph.D.  
Superintendent of Schools
