

# Kindergarten Supply List

Parents often have questions about what school supplies are needed. In order to facilitate your child's entrance to kindergarten in September, the kindergarten teachers have put together the following list of supplies your child will need.

- **A backpack**
- **A beach towel for rest time (It should be small enough to be folded and put into the cubbies.)**
- **A smock for painting (An old oversized T-shirt is best.)**
- **Sneakers for Gym and for outdoor activities**
- **1 pocket folder (Plastic works best.)**
- **4 large glue sticks**
- **1 bottle of Elmer's glue (4 oz. size)**
- **24 plain yellow #2 pencils**
- **2 boxes of Crayola crayons (24 count)**
- **1 box of Crayola Wide Tip colored markers**
- **1 box of Crayola Fine Tip colored markers**
- **1 large box of tissues**

Please keep this list and when the back to school sales start, find the best buys.

Please label your child's backpack, beach towel, smock and folder with his/her name. All other supplies are shared and do not need to be labeled.

When purchasing school clothes please keep in mind that our kindergarten program is an ACTIVE one. Simple, rugged clothes are best. Also, please choose inner and outer clothes that children can manage on their own. (e.g. using the bathroom, dressing to go home, etc.)
